As partners of Plaxton, PSV Glass was invited to their Centenary celebrations at Scarborough on 21st April. During the day the modern Eastfield production facility opened its doors to the public; exhibits included a collection of old and new coaches.

PSV Glass supported the event with a trade stand, banners and a full page colour advertisement in the souvenir programme.

The evening started off with pre-dinner drinks in the open-air convivial surroundings of the newly refurbished Scarborough Spa Complex; then the 570 guests, including local dignitaries, were led into the magnificent Ocean Room to attend the Gala Dinner and Grand Centenary Ball.

Top class entertainment included thoroughly entertaining opera singers, 'The Three Waiters.'

Eastfield was once again open to the public on Sunday and the day concluded with a cavalcade of buses and coaches through the streets of Scarborough.

PSV Glass would like to give thanks to everyone at Plaxton for a fantastic evening and congratulate them on -

"A Century of Success".
